

ALAMAD
Since 1979
LOGISTIC

www.alamadcranes.com

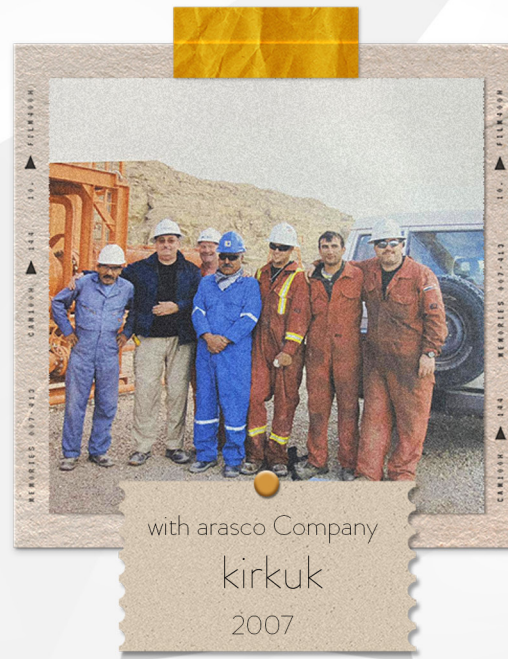

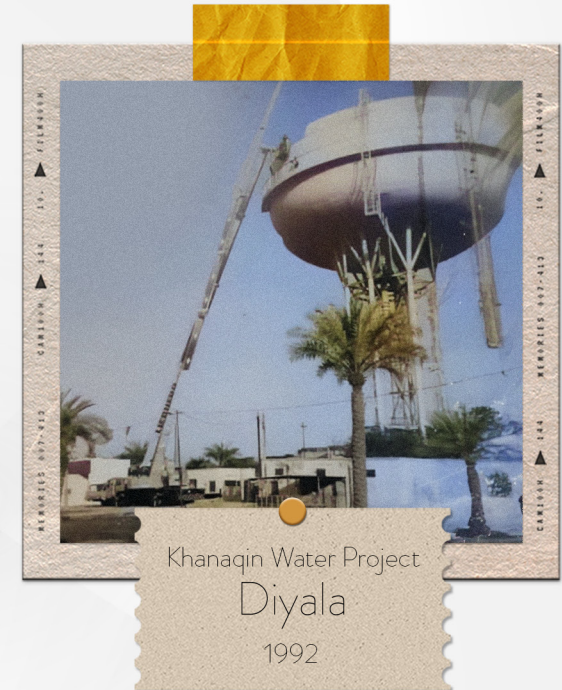

About Us:

ALAMAD LOGISTIC has the widest range of crawler and mobile cranes in the world, ranging from 10-ton minis to 600-ton cranes. Every single model delivers a smooth and productive performance, and is comfortable, safe and reliable. ALAMAD also supplies baskets, wheel loaders, rigid dump trucks and other construction equipment for special applications. All machineries are renowned for high quality, advanced technology and reliability.

ALAMAD is one of the promising suppliers and rental of heavy equipment and replacement spare parts. It has been known as a reliable and trustworthy supplier of all kinds of heavy equipment spare parts for a wide range of earthmoving equipment and heavy machinery.

One of the prerequisites for success in any work is to have an experience in it. Our Teams of experts are over 35 years of experience in this market, with well-trained Customer Service working with international companies and affiliates. Working in the field of all-over Iraq governorates including Kurdistan (Northern Iraq) has made us pioneers in this industry and having the knowledge to meet our clients' expectations.

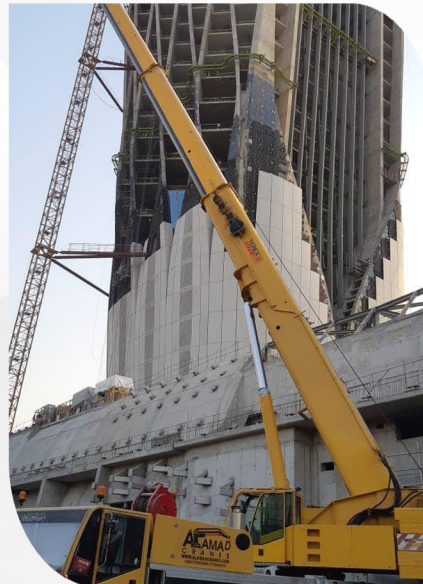

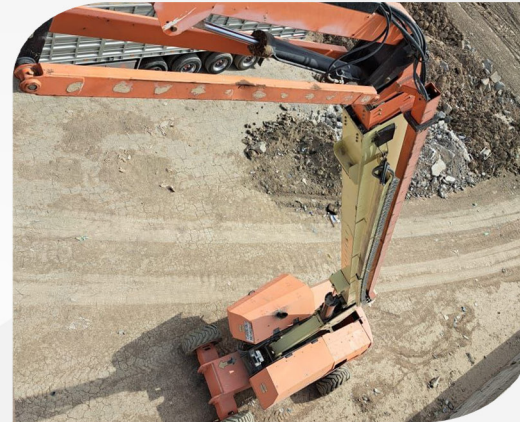

We provide Customer Excellence Service and ensure we meet and exceed your needs and expectations.
In line with Company vision, ALAMAD is the Leader of Supplying the Best Quality- the Best Value Products and Services in local market of Heavy equipment, rentals and replacement spare parts.
Our management will provide you with all support you need to accomplish your Operations smoothly.
